

## Ballpark Community Messages

The San Francisco Giants are committed to helping non-profit and community agencies promote their organizations through in-park matrix board messages. Due to the large number of requests we receive each month, we cannot accommodate every message request. Therefore, we have instituted a random selection process. On the first day of every month (April through September), the Giants will randomly select five organizations to receive an in-park matrix board message at one game during the month. Please submit one message for consideration per year.

In order to be considered, please tailor your message to adhere to the following guidelines:

- It should be no more than 65 characters in length (spaces included).
- It should raise awareness for a specific organization or cause (The Giants will not promote fundraising events or welcome messages).
- It should include a contact phone number or website in the message.
- It should be relevant to Northern/Central California.

**Submit this request form with your business card and a copy of your latest federal tax ID number.** Mail your completed application to: "Ballpark Community Messages" San Francisco Giants Community Relations Department, AT&T Park, 24 Willie Mays Plaza, San Francisco, CA 94107. **Incomplete applications will not be considered.**

The Giants reserve the right to edit your message for space and content. We will contact you if your message is selected and inform you as to the date it will run.

**Message you would like us to consider:**
